

Children are never too young to begin memorizing Bible verses. What better way for them to treasure the Word of God, than to store it in their hearts from childhood. Although their young minds may not understand every word, our prayer is that their hearts will be touched by the living and active Word of God. As they grow in experience and understanding, we trust that these powerful truths will be made real to them by the Spirit of God at work in them.

As teachers, we are introducing these verses to your children during our Sunday children's program, but as parents you have the opportunity to teach them daily. So as we provide weekly encouragement, we hope that you will choose to practice and review these verses regularly at home. (*To see when we plan to teach each verse, check the Lesson Outline*) Please don't forget to review past verses, even as you teach new ones. This will help our children build a strong foundation of stored-up Bible verses - one that they can feast on and fight with for the rest of their lives.

May God bless and encourage you and your family as you seek to prioritize His Word in your hearts and home.

Psalm 119:9-16

9 How can a young man keep his way pure?

By guarding it according to your word.

10 With my whole heart I seek you;
let me not wander from your commandments!

11 I have stored up your word in my heart,
that I might not sin against you.

12 Blessed are you, O Lord;
teach me your statutes!

13 With my lips I declare
all the rules of your mouth.

14 In the way of your testimonies I delight
as much as in all riches.

15 I will meditate on your precepts
and fix my eyes on your ways.

16 I will delight in your statutes;
I will not forget your word.
